

EXCLUSIVE SCREENING:  
**MY MILLION  
DOLLAR MOM**

AT CHESTNUT HILL HOSPITAL

*My Million Dollar Mom*  
Inspired by the true story

Based on a true story, a loving mother is diagnosed with Alzheimer's. Her devoted son steps forward to care for her. Her needs are so great that he must decide whether to pursue his final chance for his lifelong dream of high political office, something she wanted so much for him, or give it all up to fulfill a promise he made to her long ago that he would care for her and be by her side at the end of her life.

Learn about the challenges and strategies of caring for a loved one with dementia.
