# *My Million Dollar Mom*

Inspired by the true story

**A mom with Alzheimer's. A son faces the challenges between career and the needs of A loved one with dementia.**

Our film highlights the value of long term care insurance giving families choices.

After the screening you will be given the opportunity for you and your business to benefit from our "Presentation in a Box" turnkey program for hosting an event on long term care planning in your community utilizing our film and our discussion program.

Special pricing for our program package for ILTCI participants. *(If you can not attend the screening but would like more information please contact Ross Schriftman.)*

*Special free ILTCI Conference  
screening of the 32 minute drama film*

**When:** Monday, March 25 12:15 - 1:30 p.m.
